Fiesta Bonita

Spring/Summer 2015

Join our celebration! The Deepa Gurnani Spring/Summer 15 collection is here, with an energetic, vibrant fiesta of sparkling summer accessories.

The whimsical essence of nomadic life, meets the bold and expressive passion of Frida Kahlo, in an explosion of colour, texture and vibrancy.

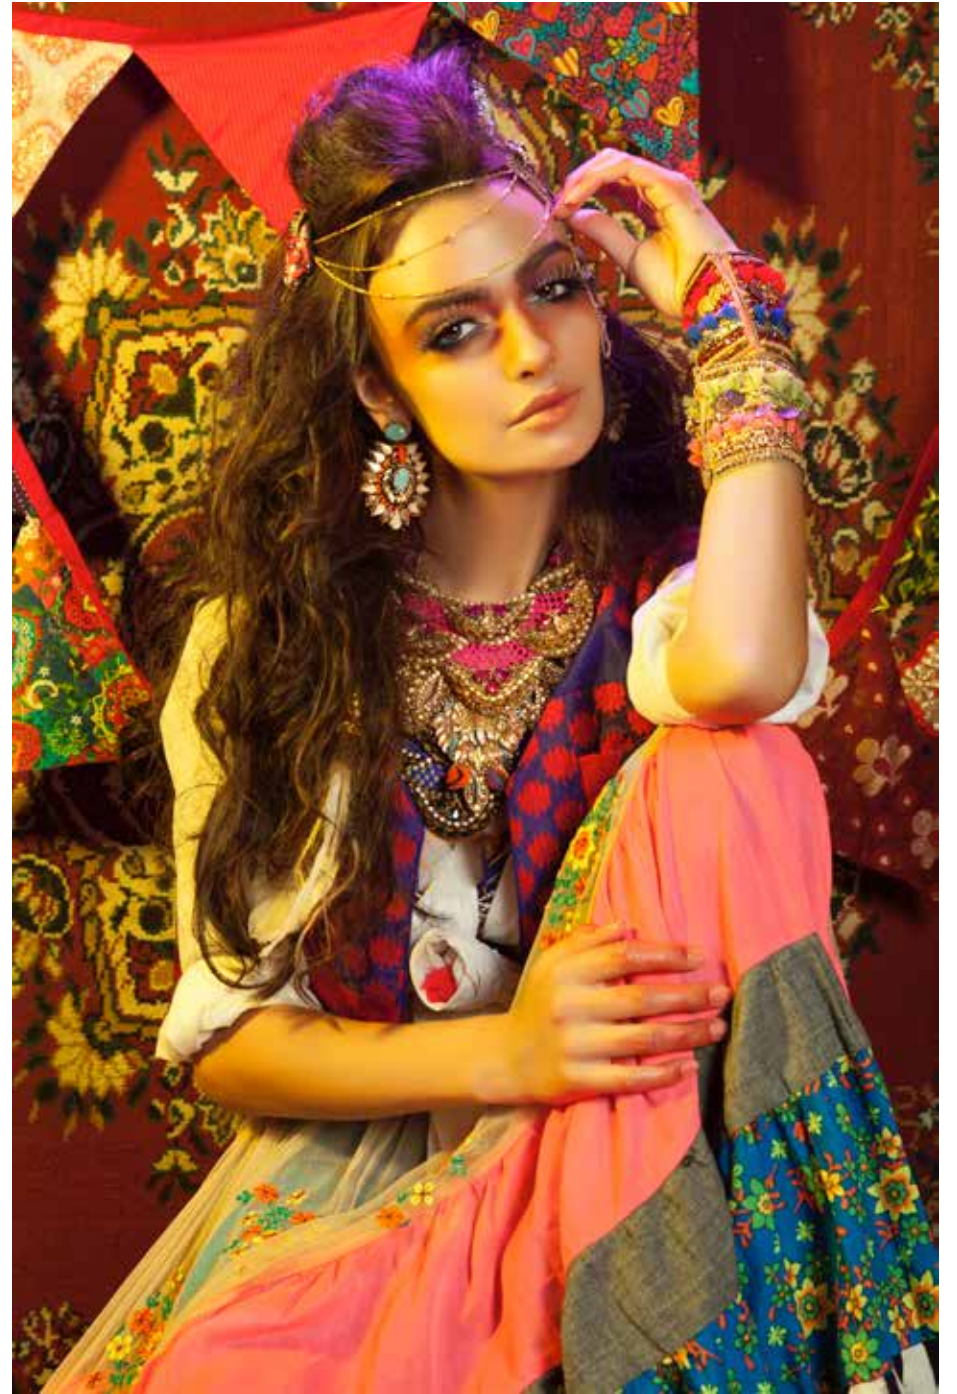

Complex cut-work shapes and textures mix and entwine to create extravagant statement jewels. Motifs are bold and confident; yet retain a distinct feminine appeal. Fringes of chain, colored wires, metallic sequins and multi-coloured beads create a rich and intriguing collection of necklaces, cuffs and earrings. Our signature high-sparkle crystals abound, in a multitude of colours, shapes and sizes.

The hair collection continues to evolve. Creative new ways to layer and experiment with hair accessories are continually being explored. Our new beaded cotton head-wraps are an effortless way to enhance a casual look, perfect for the beach or to wear with summer denim. From the bright and eccentric colors inspired by Frida Kahlo, to the soft and whimsical hues of the gypsy nomads, we are sure you will find hair accessories that you love.

Belts are offered in a range of styles, colors and textures. Bold and dramatic placement embroideries give the wow-factor to any look. Pretty, feminine skinny belts are a subtle way to inject excitement into your everyday wardrobe.

We encourage you to celebrate the fiesta of life and express yourself confidently, with our dazzling Summer accessories!
